

Thank you to referees 2022/2023

To ensure the high academic quality of the Journal of Social Science Education, we rely heavily on the commitment of academics who devote their valuable time to reviewing submissions. The editors are well aware of the amount of work and time pressure that academics are under today. We are extremely grateful to the reviewers for their generous support of the journal. We would like to express our sincere thanks to the following people who reviewed papers for the Journal of Social Science Education in 2022 and 2023!
